

PAY YOUR TIME BILL WITH E-PAY

by NTT DATA

Introducing **e-pay** - Pay at e-pay participating merchants using cash (e.g., KK Mart, selected petrol stations & more), or pay online via app such as Setel and ShopeePay.

Steps to Pay at Retail Merchants

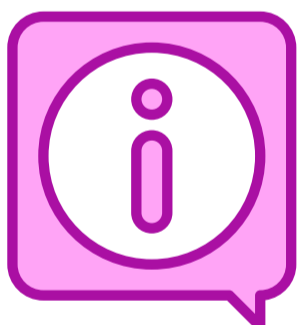

Inform The Cashier

Tell them you want to pay your **Time Internet** bill.

Select Biller

They will select **Time Internet** in the system.

Provide Details

Provide your account number and the amount you wish to pay.

Confirm & Pay

Check that your account number and amount are correct, then make payment via cash.

Collect Receipt

Keep it as proof of payment.

1. Available at participating e-pay retailers.
2. Transactions are processed through the retailer's e-pay terminal system and are subject to successful processing.
3. Please ensure your account number is correct before payment.

Where You Can Pay Online

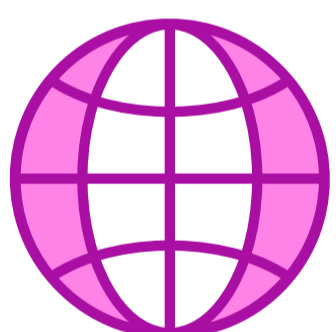

- AnyPay
